Full Stack JavaScript Programmer

Hi there! I am a passionate, highly motivated hospitality veteran seeking a junior Full Stack JavaScript programming position at a dynamic company with room to grow. I have experience building full stack applications utilizing PostgreSQL, Express.js, React, Node.js, and Heroku—i.e. the PERN STACK.

Skills

Languages: JavaScript, Python (in training), HTML/CSS
Frontend Frameworks: React, React Context & Hooks, jQuery, Pug.js
Databases: PostgreSQL, SQLite, MySQL, Sequelize ORM
Backend: Node.js
Backend Frameworks: Express.js

Education

Treehouse TechDegree (2019)

- Full Stack JavaScript TechDegree

University of California Berkeley (2014)

- Bachelor of Arts, Sociology with High Honors (3.91 GPA)

Experience

Treehouse Student-Developer Moderator

August 2019 – Present

- Help guide Tech-Degree students to valid coding solutions.
- Give code reviews and debug students' unit projects.
- Monitor TreeHouse Slack Channel and uphold community standards.

Manager (5 years) / Bartender – Hilltop 1892 Restaurant

July 2010 – Present

- Facilitated inventory, staff scheduling, labor cost mitigation, banquet coordination, staff training.
- Increased overall restaurant sales by 8% in 2015, 4.5% in 2016, and 2% in 2017.
- Collaborated with liquor distributors for deals to craft new cocktails, reduce inventory, and increase bar sales.

Sales Assistant – MGSchlegel & Associates, Inc.

January 2015 – December 2015

- Processed client quotes for individual life, disability, and long term care insurance.
- Worked with agents to create a training manual for future consultants regarding various uses of life insurance for estate, legacy, and retirement planning.

Undergraduate Teaching Assistant – Santa Rosa Junior College

August 2008 – December 2013

- Coached students on course material and led discussions.
